Dear Friend:

Greetings to you from Nicaragua!

I pray that you and your family are doing well. Here in Managua, we have people praying for you everyday. I also pray for each of you personally. You are loved and appreciated by all the people of Nicaragua. You are making a difference in the lives of these people.

February was another great month for Save a Generation. We had a team from Iowa and they built a house for a widow. They worked in six villages doing medical outreach and donated \$600.00 to go towards a surgery to remove a tumor from an elderly woman. What a great blessing this team was to the people.

This week my little brother, Ken, is bringing a group of 21 people from Florida and North Carolina to work in several villages. They will also be helping us to do the updates on all the children and our doctor will be checking each child at the same time.

Because of your help we are able to give these children and widows food and medical care. Thank you again for your prayers and financial support for our beautiful people of Nicaragua and Honduras.

I have some prayer requests for you:

1. We are now feeding widows and children in 18 villages, over 2000 children and we only have about 500 children sponsored. Please pray that we can get more child sponsors.
2. We are working with the pastors and their families in each village and they help us oversee the need of the people in their area, I would like to find sponsors for the pastors and their families too! Right now, we have one pastor sponsored by the Tabernacle Baptist Church of New Bern, NC, but we have about 25 pastors that need help. With \$50.00 a month you can help a pastor and his family, and I will send you the information and pictures of the pastor you support. You can have a personal relationship with him and keep up with his church and Ministry.

May the Lord Jesus Christ Bless you and your family!

In His Grace
